**AMENDMENTS TO THE SPECIFICATION:**

Amend the specification as follows:

Replace the paragraph beginning on page 8 line 23 with the following rewritten paragraph:

One object of this invention is to provide an auxiliary device module which is miniaturized and reduced [[on]] in weight by minimizing a number of elements provided around the auxiliary device such as a camera, connecting electric wires such as a wire harness and a base board having the auxiliary device such as a camera and terminals such as pressure contact type terminals simultaneously when mounting the base board [[on]] onto a case.
